

Men's Life Herbal Formula VIII
Product Fact Sheet
To Restore

Ingredients: Saw Palmetto, Yohimbe, Burdock, Alfalfa, Burdock

Benefits: This formula is for rejuvenation and detoxification and increases hormonal balance, prevents impotency and boost the immune system.

A closer look at Saw Palmetto: Saw Palmetto is grown in North America in the wild coastal regions of the gulf coast states. Saw Palmetto promotes prostate wellness and bladder wellness. It also eliminates fluid and waste.

A closer look at Yohimbe: Yohimbe is an evergreen tree, native to Cameroon, Congo & Central Africa. Yohimbe prevents erectile dysfunction and impotency and is also a sexual stimulant for men.

A closer look at Burdock: Burdock is a blood purifier and increases blood and lymphatic circulation. It decongests the respiratory and urinary system as it eliminates excess fluids in the body, reduces cell mutation and is known as a cancer remedy.

A closer look at Alfalfa: Alfalfa is called "father of foods" and is cultivated in many regions around the world (i.e. Middle East and the US). Alfalfa promotes immune system wellness, cleans the blood and promotes intestinal ulcer healing. Alfalfa also promotes liver wellness, lowers blood pressure and helps to prevent diabetes and cancer.

Directions: Boil 4-5 cups of water in the evening, turn off the flame, add 4-5 tsp of Formula VIII to the water and steep overnight. Strain herbs from the water first thing in the morning. Keep Formula VIII tea in a thermos jug or dark bottle and drink from morning up until noon. This formula is to be taken daily.
